Small Entity Declaration - Independent Inventor

I, John L. Howes, sole inventor, hereby declare that I qualify as an independent inventor as defined in 37 CFR 1.9(c) for purposes of paying reduced fees under 35 USC 41(a) & (b), to the PTO with regard to my above identified invention described in the specification filed herewith. I have not assigned, granted, conveyed, or licensed, and am not under any obligation under any contract or law to assign, grant, convey or license, any rights in the invention to any entity which would not qualify as a small entity.

I acknowledge a duty to file, in the above application for patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28(b))

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18 USC 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
